

How to register for MedMutual WELL

Log into your My Health Plan portal and use the single sign on into the MedMutual Well wellness platform (don't forget to create your username and password if prompted!)

Or log in directly by following these steps:

1. Go to medmutualwell.powerofvitality.com or download the MedMutual WELL mobile app
2. Click 'Register Now'
3. Enter your Name and Date of Birth and select "Confirm Your Identity".
4. Enter the Member ID + date of birth (MMDDYYYY) + first name (all caps). Choose three questions from the list of available prompts and provide your personalized answers.

You are now registered for the program! To ensure your account's security, though, we ask that you also complete the following steps for Multi-Factor Authentication (MFA):

1. Verify your email using your work email address. This address will be used to send a PIN code needed to complete access to your account.
2. Optionally, you may also provide a phone number to receive the PIN code as a text message (SMS).
3. You will now be logged into your account; in the future, you may be required to complete the MFA process during login using either email or SMS.
